

Zero Tolerance Conduct Policy

At Marcus McGee Basketball, our mission is to provide a safe, respectful, and competitive environment for youth athletes to grow through the game. To protect this experience for all participants, we have established the following Zero Tolerance Conduct Policy, which applies to players, coaches, parents, and spectators at all basketball tournaments.

Mandatory adherence to the Parent & Spectator Code of Conduct Policy

- This policy outlines all behavioral expectations and disciplinary consequences.
- Entry into the facility confirms acknowledgment and agreement to this policy.

PARENT & SPECTATOR VIOLATIONS

If a parent or spectator:

- Leaves the stands to participate in an altercation
- Confronts opposing players, coaches, or parents
- Disrupts the event in a threatening or aggressive manner

The following will occur:

- That parent/spectator will receive a permanent ban from all MJM Sports Group tournaments.
- If the player associated with the banned parent was involved, they will be suspended for 1 year from participation. (length is subject to change upon review)
- The entire team may be suspended for up to 1 year depending on the severity of the incident. (length is subject to change upon review)

COACH VIOLATIONS

If a coach:

- Initiates, escalates or try to deescalate a confrontation
- Fails to control their bench or fans during an incident
- Engages in physical or verbal altercation toward officials, players, or spectators

The following may occur:

- Immediate ejection from the game and facility
- Suspension up to being banned from current and/or all future tournaments (length is subject to change upon review)
- Possible team disqualification from the event

PLAYER VIOLATIONS

If a player:

- Initiates a fight
- Engages in taunting, threatening, or unsportsmanlike behavior
- Disrespects referees, opposing coaches or event staff

The following will occur:

- Immediate **ejection** from the game
- Suspension from the remainder of the event
- Up to a **1-year suspension** from future MJM Sports Group tournaments (length is subject to change upon review)

Law Enforcement & Security

- On-site security will be present at all tournaments.

- Law enforcement may be contacted in cases of physical violence, threats, or disorderly conduct.

Team Responsibility

- It is the responsibility of all teams to **communicate this policy clearly** to players, parents, and supporters before arriving at the event.
- Ignorance of the rules will not excuse violations.

We are here to grow the game. Let's protect the space. Let's protect the kids.
